

AbLe Studio-Music Lessons

POLICIES

Thank you for choosing, and continuing to choose, AbLe Music for your education! We are excited to be traveling alongside you in the journey towards musical excellence. Please review the following policies revised Aug, 2022.

PAYMENTS- Tuition is a flat monthly fee that is non refundable regardless of the number of attended lessons. Tuition may be paid by Cash, Check, Cashapp (\$ablemusicstudio) and Venmo (@AbLeMusic). Lessons are to be paid monthly in advance, before the first lesson of every month. ***Barring prior arrangement, if a new month starts with the prior month being unpaid, your student will be placed on the waiting list and the time slot will be reassigned.***

RESCHEDULING- At minimum, a 24 hour notice is required for requesting to reschedule a lesson. Rescheduling is not guaranteed and is available as time allows. If available, a make up lesson will not cause 2 lessons to occur in less than a 4 day time span. A make-up lesson is not guaranteed to be with your primary teacher-AbLe Music works as a network and has several top quality instructors that work together to give you the best education! Any student that cancels 3 consecutive lessons will be placed on the waiting list until they are able to regularly attend lessons.

NO SHOWS/ ABSENCES- Students that offer less than a 24 hour notice OR are 15+ minutes late for their lesson will be marked as a “no show”. If you are 15 minutes late, your teacher may cancel the lesson at his/her discretion and is free to leave the premises. Make up lessons will not be available in these cases. If a “no show” occurs for 2 consecutive weeks, the student will be placed on a waiting list and their time slot will be allotted to someone else.

ILLNESS- Due to close quarters and space shared with many, please refrain from attending lessons if you are unwell or have had a fever in the last 24 hours. We strive to keep everything as clean as possible and disinfect shared work areas in between each student.

DROP OFF/PICK UP- AbLe Music Studio takes all possible measures to ensure your safety and well-being and is not responsible for providing before or after lesson care for students. Parents or guardians that leave a student in the studio at any time do so at their own risk. Each teacher has a tight schedule and is not able to keep an eye on students before or after their lesson is complete.

VANDALISM- Security Cameras are in place-any vandalism committed by students will be reported to parents and a plan will be put in place to refund the studio for damages. If vandalism occurs, the offending student(s) may be removed from the lesson schedule permanently.

PRACTICE- Everyone has different needs and abilities- practice time during the week will vary with each student! Please dedicate a set amount of time each day for the length suggested by your individual teacher. **Practice makes permanent.** Remember- you don't have to practice every day... only on the days which you eat!

Please feel free to ask any questions or voice any concerns you may have!
